

MAGARPATTA CITY

Spread over 400 acres of prime land, Magarpatta City was a dream to create a new way of life. 120 families of Magarpatta came together, pooled in their ancestral land and proposed an innovative township with the core idea of **'Walk-to-Work, Walk-to-School'**. Today this 4000-crore Integrated Township isn't a miracle but the result of sheer hard work, perseverance, and most importantly some seemingly impossible dreams. Built on eco-friendly concept of Sustainable Development it is a landmark project for contemporary India. The City complete with Gardens, Fitness Clubs, Amenity/Retail Centers, I.T. Park, world-class School, multi-specialty Hospital, restaurants has catered to every need of the family creating a unique revolution in today's age and time. Now in its final phases, bookings are open for three last residential neighbourhoods – *Trillium, Sylvania & Laburnum Park* for 2/3/4 BHK flats. This is the last chance to grab this opportunity to become a part of the dynamic Magarpatta City family.
