

Pune Vyaspeeth

Pune Vyaspeeth is a non-profit organization that works as a catalyst to promote and market the city of Pune. Its objective is to make Pune's environment conducive to be positioned as a global destination. Its consistent efforts are aimed at developing Pune's strengths in areas of education, industry, tourism, science, technology and sports.

Experienced people and policy makers from various industries mentor Pune Vyaspeeth in order to excel in industrial development, create further business opportunities, social upliftment and modernization of society.

Marhatta Chamber of Commerce Industries and Agriculture

Marhatta Chamber of Commerce, Industries and Agriculture (MCCIA) is a premier industry association with over 2200 members from different sectors like automotive and auto ancillaries, electronics, agribusiness, information technology, bio-technology, environmental technologies, chemicals, etc. It is one of the most prominent and active Chambers of Commerce in India catering to Pune and regions around. It has been catalyst for economic development of Pune and has continuously strived to make Pune a global business destination.

Inclusive Growth & Development

You've firmly placed Pune on the path to exponential growth. Now it is time to accelerate this journey towards **Vision 2020**. A vision that will make every Puneite proud. But it will be 'we' who will drive it. This conference is a step towards **Vision 2020**.

Pune, Powering Ahead - Vision 2020. A forward-looking forum of opportunities - leveraging innovation led inclusive growth & development.

"Hi Tech Pune- Maharashtra 2009"! Welcomes you to an exclusive feature on "IT for Smart Governance, a Vision 2020 Initiative" presented by Pune Vyaspeeth & Maharashtra Chamber of Commerce Industries & Agriculture, MCCIA.

The conference is scheduled to be held from Thursday 26th February 2009 to Friday 27th February 2009.

Leverage your Networking opportunities in the backdrop of the Sports City at Balewadi. Venue: Banquet Hall at the Orchid Hotel, Balewadi, Pune-India.

Hi Tech Pune Maharashtra 2009 is a focused live forum where Policy makers, captains and technocrats can message their mission in an interactive setting, it is an opportunity to discuss about changing ecosystem, challenges, opportunities and the way forward to firmly establish and consolidate the relationship between the emerging Global Markets and the Industries they serve.

Hi-Tech Pune-Maharashtra series is one of the most respected forums and has played a key role in promoting the Information Technology & Biotechnology potential of Pune & other districts of Maharashtra India worldwide. This forum has always played an influential role in recommending and suggesting encouragement policies to Policy makers. Few such initiatives are the IT policy of Maharashtra.

This is the first of its kind conference, an initiative and a small step towards Vision 2020 for Pune. Our Endeavour is

to encourage suggestions from all participants to create an agenda - the way forward.

The conference is a unique opportunity for sharing the latest on corporate governance, to network with diverse minds and integrate perspectives & practices from all sectors. The conference will feature panel discussion, keynotes and interactive sessions on Thursday February 26th - 1.30 pm onwards & on Friday February 27th from 09:30 am till 5:00 pm.

You can make a significant difference to this important discussion, and together we can move corporate governance to the next level. Mark your presence at this stellar conference.

Focus: Worldwide Corporates are recognizing that sustained growth of their organization requires adherence to "Smart Governance" practices. This is a responsibility and is possible only with the cooperation and support of all stakeholders. As we move into 2009, economic downturn has severely impacted the various sectors including IT, Manufacturing, construction. It is expected that the Governments would play an increasingly specific regulatory role, in the functioning of the corporate entities.

Vision 2020-Pune Corporate Governance, Green IT, HR Challenges, Leveraging Pune's Competitiveness and IT Security will be high on the agenda at this forum.

IT for Smart Governance, A Vision 2020 Initiative – The Conference

Host City Pune: Perception about Pune has changed globally. People believe that the city has the potential to become a global destination. As businesses world learns to cope with market changes and economic downturn, it is time for best of minds to network and discuss. Every Puneekar should feel proud of having built world-class IT and International sports infrastructure in the city. We did a great Youth Games in 2008!

Pune's transformation from being "The Oxford of the East" to the Knowledge City has been incredible. As per the analysis of the emerging cities based on various parameters, Pune occupied first position overall. Pune gains as "Top Ranking City in the Emerging Cities" as per Forbes Survey. Pune, the Knowledge Corridor of Western India is a multi-faceted region, all set to capture attention and match pace with India Inc's march ahead as the second fastest growing economies of the world. The IT Capital of Maharashtra is a perfect destination for convergence of minds.

Getting Ahead in our Goal: This unique conference is the ideal forum, to present new formats & trends by bringing all the stake holders under one umbrella for initiating plans & prospects of creating a roadmap to Make Pune a vibrant knowledge corridor and City of the new millennium - A Vision 2020 initiative.

Hi-tech Pune, Maharashtra

Advantage : An international sports event of the stature of the Commonwealth Youth Games resulted in number of significant economic, social and other **benefits for the region and the host city.**

Pune gains international Stature as the City of Commonwealth Youth Games thus raising the Bar of Pune as the Sports hub and Sports Capital of India.

The Commonwealth Youth Games was only a beginning. A glimpse of the change that brought about a peep into the realms of the possible. Fascinated by all these possibilities, we have unfolded **Vision 2020.**

Now is the time to dream even bigger. **Vision 2020** – The Olympics 2020. We must aim for the Olympics 2020 to be hosted in Pune. Which will translate into exceptional growth for the city – more infrastructure, flyovers, IT hubs, hospitality, better education, real estate etc. Having recognized the power of IT in transforming Pune, Hi-Tech, Pune, Maharashtra is an initiative in nurturing and harnessing this potential.
